

our clinic

Encompassing 8,400 square feet, our fully equipped gym, private treatment rooms, work conditioning stations and 30' X 10' indoor therapeutic pool, distinguish us as the only facility in the area to offer a full spectrum of services to meet your needs.

referrals

Referrals to NPTC can be made by physicians, nurse practitioners, physician's assistants, chiropractors, podiatrists, dentists and osteopaths. Employers, insurance companies, and case managers can recommend therapy, with a treating practitioner's authorization. Please call the clinic if you need additional information or help with a referral.

We participate with most major health insurance companies and will assist you in receiving the maximum coverage allowable.

professional staff

Steve Schall received his undergraduate degree from Duke University and his Masters in Physical Therapy from the Texas Medical Center Branch of Texas Women's University. He was among the first physical therapists in Virginia to be Board Certified as an Orthopaedic Clinical Specialist and has extensive experience in pain control and orthopaedics using a variety of hands-on-techniques.

Under Steve's direction, our professional staff of licensed Physical Therapists and licensed Physical Therapist Assistants draw on a wealth of experience, along with extensive continuing education courses to deliver the most personal, effective and up-to-date care.
